- Certificate of recognition suitable for framing
- Area for distribution of marketing material
- Lunch sponsor: opportunity to leave literature on lunch tables

To Register: <https://www.123signup.com/register?id=cbrnz>

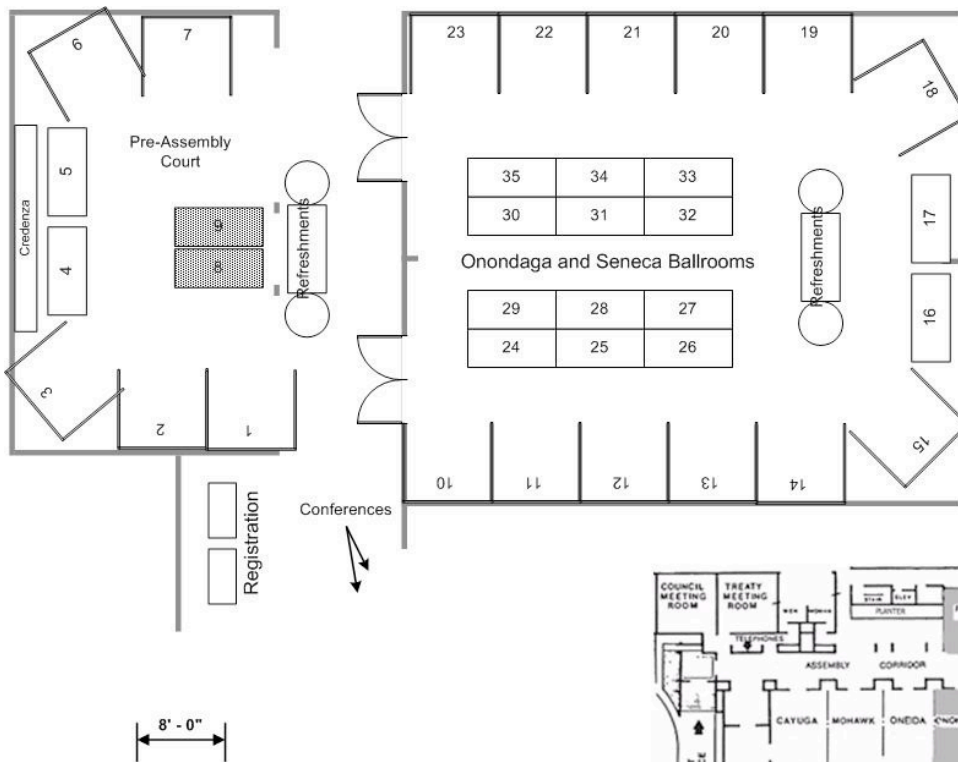

Special Exhibitor Pricing: Until December 31, 2011: \$350; After December 31, 2011: \$400

In 2011, our joint seminar drew over 275 attendees from all over New York State; from Watertown to Binghamton, and Jamestown to Albany. The 2012 program promises to continue to build on our previous successes and we expect to exceed last year's attendance. Over 60% of our 2011 attendees were representatives of industry and municipalities that are buyers of equipment and services offered by our exhibitors. Don't pass up your opportunity to meet with this many potential customers at one time! Reserve your exhibit space early!

To reserve exhibit space, **please register online at:** <https://www.123signup.com/register?id=cbrhv>. In making your booth selection, please note that the Seminar Committee asks that full size displays be restricted to those booths that are along the outside walls of the exhibit area. Tabletop displays can be placed in any available booth location. The exhibitor's fee not only provides you with space to showcase your firm's products and services, but with one full seminar registration, including the continental breakfast, lunch and refreshment breaks, and access to all technical sessions throughout the day. Additional exhibitor personnel can register at the \$115.00 (advanced) attendee rate online at <https://www.123signup.com/register?id=cbrnz> or \$140.00 on the day of the seminar in person.

Please remember that your exhibit fees help fund the environmental education and community outreach programs of our two associations. We look forward to seeing you again this year.

Choose your booth space online this year: <https://www.123signup.com/register?id=cbrhv>
